LOUISIANA LADY SEEKS RELATIVES OF HUSBAND

Pastor Singleton of Methodist Church Received Request from Wife of Former Halifax Man.

Rev. L. T. Singleton, pastor of the Scotland Neck Methodist Church, has received a request from Mrs. Arthur B. Olin, of Morgan City, St. Mary Parish, Louisiana, to assist her in locating relatives of her husband, who died on August 8, 1916.

Mrs. Olin writes that she and Mr. Olin have resided in that community for eleven years or more, but that they had lost track of his relatives, who at one time lived in Halifax county.

Mrs. Olin says that her husband had two sisters, Sallie May and Lula Olin and a niece, whose name was Vanhook or Vanhorn, who resided in this section some years ago.

She is very anxious to get in communication with these parties or other relatives of her husband, for in so doing she will be relieved of the burden of not being in touch with her husband's relatives, none of which live in that section.

Any person knowing any of the parties here mentioned or other relatives of Mr. Olin, will confer a great favor to this lady by writing her at Morgan City, La., P. O. Box 115.

SENTIMENT IN DENMARK IS AGAINST SALE OF ISLANDS

New York, Aug. 23.—Sentiment in Denmark is strongly against the sale of the Danish West Indies to the United States, according to Count Frederik Moltke, a captain in the Danish army who has just arrived here aboard the Scandinavian-American steamship Hellig Oav. Count Moltke is on his way to Washington, where he will join the Danish legation as director of army contracts.

Marius L. Nyboe, a prominent ship owner of Denmark, and a well known Arctic explorer who is on his way to Greenland, supplemented Count Moltke's sentiment in Denmark is to postpone the sale until the end of the war.
